

# Break Room Protective Measures

This poster provides guidance to help prevent COVID-19 staff to staff transmission. **In the event of an outbreak, additional measures may be required.**

Keep two metres distance from others.

Clean and disinfect surfaces with cleaner/disinfectant wipes before and after eating (e.g., tables, microwaves, etc.)

Clean your hands often, using soap and water or an alcohol-based (70%) hand rub.

Clinical settings: When not eating or drinking, a medical mask should be worn. Non-clinical settings: Refer to your workplace COVID-19 Safety Plan(s) for further guidance.

Stagger breaks to help with maintaining physical distance.

Place staff lunches in the fridge. Take all items placed in fridge home at the end of each shift.

Cover your cough or sneeze into your elbow or a tissue. Throw the tissue in the garbage and wash your hands.

No food sharing.\*

\*Additional food safety recommendations on the IPAC website.

Frequently clean and disinfect high touch surfaces.

Declutter regularly and remove shared reading materials.

**Maximum of \_\_\_\_\_ people in this room.**
