

# Break Room Protective Measures

This poster provides guidance to help prevent COVID-19 staff to staff transmission. In the event of an outbreak, additional measures may be required.

Respect personal space.

Clean and disinfect surfaces with cleaner/disinfectant wipes before and after eating (e.g., tables, microwaves, etc.)

Clean your hands often, using soap and water or an alcohol-based (70%) hand rub.

When not eating or drinking, a medical mask should be worn.

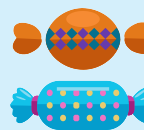

Frequently clean and disinfect high touch surfaces (e.g. tables, counters)

Place staff lunches in the fridge. Take all items placed in fridge home at the end of each shift.

Cover your cough or sneeze into your elbow or a tissue. Throw the tissue in the garbage and wash your hands.

No food sharing.\*

*\*Additional food safety recommendations on the IPAC website.*

Regularly tidy / organize and remove soiled / old shared reading materials.
