

PROVINCIAL MASK POLICY IN EFFECT

STAFF, VOLUNTEERS AND VISITORS

Please stop, clean your hands, and wear a medical mask in all patient-care areas.

Don't have a medical mask? Get one at the main entrance, or at the unit, clinic or program area you're visiting.

Do not enter if you have cold or flu-like symptoms:

- Runny nose
- Sore throat
- Fever
- Cough
- Shortness of breath / trouble breathing
- Diarrhea
- Vomiting

Or if you are feeling unwell, no matter how mild the symptoms.

Thank you for your cooperation.
